

THE ORANGE AND BLUE.

ALABAMA POLYTECHNIC INSTITUTE.

VOL. VI.

BUAURN, ALABAMA, WEDNESDAY, MAY 23, 1900.

NO 12.

ONCE MORE VICTORIOUS!

The Techs Meet Tuscaloosa's Fate—Score, 10 to 4.

The game with the Techs on the 5th was one of the most interesting ever played on the campus. Up to the middle of the seventh inning the score stood 4 to 4 and the result of the game seemed doubtful, but before this inning was over six wearers of the orange and blue had crossed the home plate amid the deafening yells of the Auburn rooters. To have prevented these men from scoring would have required superhuman power. The Techs did their utmost to stem the tide then setting in against them, putting in their crack pitcher with the scalps of fifteen Wake Forest men dangling at his belt, but all was of no avail. One by one the Auburn men came in home until half a dozen men had crossed the plate and the score stood 10 to 4 in Auburn's favor. Some good playing was done on both sides. The Techs were heavy batters, and Foy deserves great credit for holding them down to such a few hits. The batting of Sorrell and Stewart was of a strictly first-class order. Yarbrough played a great game at first base in spite of a broken finger. Brewster's catch of a difficult fly in the first inning was a sensational play, and was one of the features of the game. O'Neill played a splendid game at second, far surpassing his opponent in that position on the Atlanta team. Finch made several pretty catches in center field and did good batting at times. Skeggs at short stop was in a new position, but sustained himself every creditably, considering the small amount of practice he has had in that place. Nisbet is one of the quickest men on the team and experienced no trouble in stealing bases on the Techs' pitcher.

The Techs showed at all points the effect of a good system of training at the hands of an experienced coach, but they were no match for Auburn pluck and grit.

THE GAME IN DETAIL.

First Inning—Auburn takes the field. McKibben and Murphy get their bases on dead balls. Hicks bats to O'Neill and is put out at first, McKibben and Murphy advancing one base each. Asbury tries a sacrifice hit, allowing McKibben to score, and succeeds in reaching first on an error. Murphy at the same time advances to third. Asbury steals second. Paulsen sends a pretty fly to right field, and Brewster makes a phenomenal catch. Merritt gets a hit in center field, which brings Murphy in home. Asbury is caught out between third and home, and the side is retired.

Auburn comes to the bat. Yarbrough sends a grounder to second and is out at first. O'Neill bats to third and a wild throw to first enables him to complete the circuit of bases and score Auburn's first

run. Nisbet secures a single in left field. Skeggs is out on a fly caught at third. Foy knocks to pitcher and fails to reach first. Second Inning—McCathern singles to right field. Sullivan bunts, and reaches first safely. McCathern advancing to second. McCathern is put out while trying to steal third. Sullivan scores on wild throw from Nisbet. Neel strikes out. McKibben sends a fly to center field but the ball is "muffed," and he reaches first. Murphy bats to pitcher, reaches first, and goes on to second on Auburn's error. McKibben at the same time reaching third. Hicks sends the ball to short stop and succeeds in reaching first, while McKibben crosses the plate. Asbury knocks to pitcher, and is put out at first. Sorrell secures a beautiful hit in left field. Brewster gets his base on balls. Sorrell "trekking" to second. Finch lands a two-bagger in right field, while Sorrell scores, and Brewster goes to third. Stewart gets a safe hit, which allows Brewster and Finch to score. Stewart steals second. Yarbrough's fly is caught by Neel. Stewart reaches third on a passed ball. O'Neill strikes out. Nisbet is out on a long fly caught at center field.

Third Inning—Paulsen's fly is caught by O'Neill. Merritt's fly is caught by Skeggs. McCathern gets his base on a dead ball. Sullivan is given his base on balls. Neel bats to Skeggs and Sullivan is put out at second on a forced run, making three men out. Skeggs sends a fly to Neel and is out. Foy's fly is caught in left field. Sorrell secures a single in left field, and then steals second. Brewster strikes out. Fourth Inning—McKibben goes

out on a foul caught by Sorrell. Murphy sends the ball to O'Neal and is cut off at first. Hicks' long fly to center is caught by Finch, and the side is retired.

Finch bats to shortstop and is out at first. Stewart sends the ball to the same place and lands safe at first. Yarbrough bats to Neel and reaches second on an error, Stewart at the same time moving to third. O'Neill strikes out. Nisbet knocks to Sullivan and is cut off at first.

Fifth Inning—Asbury's foul is caught by Foy. Paulsen gets a single in left field, and steals second. Merritt bats to Skeggs and expires at Yarbrough's hands. McCathern strikes out.

Skeggs and Foy fail to reach first. Sorrell's fly is caught in left field.

Sixth Inning—Sullivan bats to shortstop and reaches first on an error. Neel sends the ball to Nisbet, and Sullivan is cut off on a forced run to second. Neel then reaching third on a wild throw from second to first. McKibben attempts to bring Neel in on a sacrifice hit, but he fails to reach first and Neel is compelled to stick close to third. Murphy sends the ball to Skeggs and is put out at first, retiring the side.

Seventh Inning—Hicks lands safe at first on Nisbet's error. Asbury reaches first on a bunt. Paulsen is out on a foul caught by Sorrell. Merritt is out on a fly caught by Finch. McCathern strikes out.

Yarbrough bats to Murphy and is out at first. O'Neill is presented with a free pass to first, goes to second on a passed ball, and then steals third. Nisbet strikes out. Skeggs singles to right field, O'Neill scoring. For some time

COL. W. J. SAMFORD,

An Auburn Alumnus, Unanimously Nominated for Governor of Alabama.

Col. W. J. Samford was unanimously nominated for governor of Alabama, when the convention met in Montgomery the latter part of April.

Col. Samford is one of the ablest lawyers in our State, and has served in both branches of the State legislature, and in congress.

He is a statesman, a soldier, and a Christian gentleman, and now he has been called up higher, because he has served faithfully in every capacity, in which his people have placed him.

We praise Col. Samford not especially because of his party, but we praise him because of his worth. He was reared in Auburn, and received his education in our college, and we are proud, indeed, to own him as an alumnus of our noble institution. May she ever turn out men with such sterling qualities as Hon. W. J. Samford.

Juniors and Freshmen Win From Seniors and Sophomores.

Last Saturday afternoon a week ago, while Auburn was playing Mercer, another game was being played, in which the combined teams of the Seniors and Sophomores were trying to defeat the combined Junior and Freshmen teams.

It was a good game. Flowers, Woodruff and Sequero composed the battery for the Seniors and Sophs. while Wills, E. H., and Arnold filled the same position for the Juniors. Much interest was manifested and final score was 10 to 7 in favor of the Juniors and Freshmen.

Dance in Thomas Hall.

On last Friday night a week ago Thomas Hall was the scene of an unusually pretty dance, given in honor of Miss Hobson, of Greensboro, Ala., and Miss Howard, of Selma, Ala. Everyone had a fine time. Among the young ladies present were the following: Miss Hobson, of Greensboro; Miss Howard, of Selma; Misses Mary Drake, Kate Lane, Cunningham, Bedgood, of Mobile, Mary Casey, Bessie Thach, and Mary Kate Wills.

The party was chaperoned by Mrs. Kate Wills.

Picnic at Tallassee.

Quite a large crowd of cadets accompanied the Opelika people on their picnic at Tallassee last Friday week.

They all had a happy time, and were charmed with Tallassee. The portion of the Electrical course (Senior) who were not already absent from Auburn, went over to inspect the electrical plant above Tallassee.

before this the score had been a tie, and when O'Neill crossed the plate the Auburn rooters went wild. Skeggs steals second. Foy reaches third on a beautiful hit in center field, Skeggs scoring. Merritt is now being batted hard, and the Techs decide to change pitchers. Henley, the famous twirler in the Wake Forest game, now takes the box, Merritt replacing Sullivan. But Henley proved an easy mark and Auburn continued to roll up the score. Sorrell gets his base on balls and then steals second. Brewster secures a single, and Foy scores. Sorrell then advancing to third. Finch secures a hit over shortstop, and Sorrell scores, while Brewster advances to third. Stewart lands a three-bagger in right field, and Brewster and Finch cross the plate. Stewart is called out on interference by his coacher at third.

Eighth Inning—Henley bats to O'Neill and is out at first. Neel reaches first on an error, but is caught out while playing off the base. McKibben sends a fly to center field and is put out by a beautiful catch made by Finch.

Yarbrough and O'Neill fail to reach first. Nisbet scores a hit in right field, steals second, and then third. Skeggs strikes out.

Ninth Inning—Murphy and Hicks expire at Yarbrough's hands. Asbury gets a single in center field. Paulsen knocks to O'Neill and is out at first.

Game called with the score standing 10 to 4 in favor of Auburn.

A new lot of shirts just received. Negigee, silk bosoms, colored and white shirts, all kinds.

T. A. Flanagan.

This is a clipping from Sunday's Advertiser:

"The ball team of the Southern University in the pretty little town of Greensboro is out for blood. They have a crack team down there and a good many people besides the citizens of Greensboro and the students of the University are aware of the fact. The following letter from one of the University men will prove very interesting:

Greensboro, Ala., May 17, 1900.
Sporting Editor The Advertiser:

After our failure to get games with Auburn, we feel that it is our duty to say a few words in regard to our position with Auburn and also Tuscaloosa.

We have for some time cherished the hope that we would play Auburn three games on May 18th and 19th, thus deciding which of the colleges of Alabama should claim the championship of Alabama, Tennessee and Mississippi. The U. of T. team proved too much for Tennessee and Mississippi and the U. of A. has beaten Ten-

nessee, and Auburn having won the series from the U. of A. could have claimed the championship of Alabama, Tennessee and Mississippi had she not broken dates with the S. U. team.

Over two months ago Manager F. K. Gamble of the S. U. Baseball Team arranged a series of three games with W. L. Anderson, manager of Auburn's team.

On May 3rd and 4th we played two games with Selma's professionals, they winning both games by the respective scores of 11 to 5, and 5 to 1. On the second day with Selma, Manager Smith of the Selma team made boasts that he would shut us out. He failed to do so.

Now, in view of these facts we can see no legitimate reason why Auburn will not face us, unless it be that, having seen our magnificent show against Selma, she is afraid of us.

The reason Mr. Anderson gives for breaking his dates with us is that they have examinations on May 19th. But, as Mr. Anderson had to gain the consent of his faculty before giving us a definite answer, it seems strange that they should not have then known on what day they would have their examinations.

The only plausible excuse we can see for their failure to fill their engagement is, as we have said, sheer fright. We hope they will get over this spell, and conclude to play us at an early date.

Now as to the Tuscaloosa team which came down here. We have never claimed that we played the U. of A. team and only wish we could do so. We have done our best to secure games with them but to no avail. Our manager wrote today to see what could be done. We cannot leave our campus to play ball, but if, at any time, Tuscaloosa's crack U. of A. team see a chance to accommodate us, we are ready for them.

We have with us four of the U. of A. team when we played Tuscaloosa and the scores of the two games were 12 to 0 and 15 to 0 both in our favor. Mr. Smith, who coached the U. of A. team has confessed that we can beat the U. of A. team and we only want a chance to verify this statement. Our team is ready and eager for the fray. A S. U. Student."

We are very sorry to see that the Southern University at Greensboro, Ala., take the stand that they do after we have explained to them the reason of our breaking our date with them.

They seem to be acting real childish in the matter.

We would like next year to get a football game with the Southern University upon some day when they "do not have an examination."

The baseball team played her last game of ball Saturday week with Mercer. They made a good record for themselves, and deserve much credit. We had one more game on our schedule which was to have been played with the Southern University in Greensboro, Ala., on last Saturday, May 19th. Much to our regret, after making the date with the Southern Univer-

sity for May 19th, the examination in Senior Astronomy was put upon that same date.

Several of the best players had to stand this examination, and we were compelled to break the date with the Southern University.

The U. of A. this year defeated Tennessee and Mississippi. Auburn defeated the U. of A., thus obtaining the championship of Alabama, Mississippi and Tennessee. Our only regret was that we were not able to come over and give the Southern University a chance, but she very likely would have fared even worse than the U. of A.

Quite a good deal has been said through the columns of the Advertiser about the conduct of the Auburn and Tuscaloosa baseball teams while there in the last week of April. We do not care to go into a discussion of their conduct, but we only refer them to the record of our boys everywhere they have played a game of any kind. We have always been complimented on our manly conduct and do not think it necessary to answer the mud ever slung at us for misconduct. We all know that anybody can get up in an audience where no one is concerned and pass a resolution condemning anything and anybody.

The following statement from the president of the college and members of the team is sufficient:

ALABAMA POLYTECHNIC INSTITUTE, AUBURN.
May 1st, 1900.

Editor Advertiser:

I beg permission to state the following facts in regard to the students from Auburn who were permitted to visit Montgomery at the time of the recent baseball contest between Tuscaloosa and Auburn.

Upon application of the managers, seventeen cadets went, by permission, with the team as players and substitutes. These were permitted to be absent under a pledge as to good conduct, and from the report made to me by the manager since returning, and from the enclosed paper signed by each member of the team, I am assured that their conduct was in all respects satisfactory.

Besides these, seven other cadets had permission to be in Montgomery, on the special request of their parents and five of the seven reside in Montgomery.

WM. LEROY BROWN.

AUBURN, ALA., May 1, 1900.
We, the undersigned members of the Auburn baseball team, who were in Montgomery from Friday morning, 27th of April, until Sunday, 29th of April, state that we had permission to be absent under a pledge of good conduct, and that the pledge was strictly observed in all respects, and that nothing was done by any member of the team in violation thereof.

BRIEF LOCALS.

Capt. Burke is now drilling with cupids arrow through his heart.

We hear that Lieut. Flowers has named his new straw hat "Katie." A nice hat isn't it, Jeff?

Boys, please come up now and pay for your subscription to the "Orange and Blue." We have waited a long time for it; and need the money.

Prof. F-k-r (at the corner)—"I am so sleepy."

Young Lady—"You had better trot along home and go to sleep."

Prof. F-k-r—"I am not so sleepy as I thought I was."

By error, the names of Instructors Trammell and Kyser, were transposed under the cuts on the first page of this issue. Our readers will please reverse in reading the names.

The 1899-1900 A. P. I. catalogue have just come out. Any one wishing one can obtain it by going to the President's office or if any one wishes a catalogue sent to a friend, go in and give the name and address to the President.

Every one is sorry to learn of the resignation of Cadet S. G. Forbes. He has been sick lots lately, and had he stayed on until college closed he would have "pushed" somebody for first in the Senior Electrical course.

Mr. C. P. McElhaney has made arrangements to furnish turnouts for commencement week and will have the finest outfit that can be furnished. He will have single buggies and carriages and can furnish them cheaper than you can order them from Opelika. The patronage of the college boys will be appreciated.

The following is a clipping from the Greensboro Watchman:

The Auburn baseball team will not come to Greensboro as was advertised. We expect the result of the playing of the Southern University club with the Selma professionals had something to do with scaring the Auburn boys away.

After this issue of the Orange and Blue only one more will be published, the commencement issue. This, however, will be decidedly the best one we have gotten out. It will be an eight-page issue instead of a four-page one as we have usually published. All the things which will have happened during commencement as far up as Monday, and possibly Tuesday, will be found in the issue. During the history of the Orange and Blue never has a commencement number been issued before, so this is where 1900 shows her superiority again.

Auburn has been scared up several times since the last issue of the "Orange and Blue," by small fires.

The first one of these was at Mrs. Boyd's house, several Sunday's ago. Luckily the Methodist squad had just marched in the church, and as the fire was directly across the street, such a crowd had but little difficulty in extinguishing the flames.

The other happened one day last week, and was at Mrs. Rutledges. The fire company responded quickly, but when the fire was reached it was found to be only a chicken house.

Mr. Jim Dobbin, class of '99 is at work as a druggist in New York City. He recently passed the New York State Board of Pharmacy, being the only one of thirteen applicants to pass the examinations.

Dr. Bragaw has retired from the drug business on account of his age. His store was purchased by Lazarus & Toomer. They will move their drug store down to Dr. Bragaw's.

Senior Electrical Course Takes A Trip to Birmingham.

Last Monday, two weeks ago, the Senior Electrical Course took a trip to Birmingham, Ala., to inspect the various things of interest there in their line.

The party was composed of Prof. A. St. C. Dunstan, Prof. Willmore, Prof. Trammell and Cadets Powell, Shuff, McKenzie, Ilges, Forbes, Brooks, Hale H. Y., Lesesne and Heard.

When Montgomery was reached they went out and inspected the electrical plant of the Mutual Light and Power Co., and then went on to Birmingham that night.

In Birmingham they visited the Hood Machine Co., the Birmingham Rolling Mills, the Birmingham Machine and Iron Co. Works, the L & N Machine Shops, the Birmingham Traction Co.'s Electrical Plant and the Bessemer Pipe Works. They went out and went down in both the Schloss mines and the Pratt mines, and also went out to Ensley and saw them making pig iron, but were not allowed to go through the large steel plant there.

The whole trip was very instructive and every one had a fine time. They remained in Birmingham until Saturday morning when they returned and reached Auburn at 1:30 Saturday afternoon.

Clothing Special.

Call and see my line of samples for made-to-measure clothing; before buying a spring suit. Strictly up-to-date.

F. D. Lee Taylor.

Websterian Society.

Within the period of the last two months there have been an unbroken series of especially good meetings. Undoubtedly the Society has undergone quite a perceptible change towards improvement as caused by the fact that there has been offered to the Society by the trustees a medal to be awarded by the Society, subject to the fulfillment of certain prescribed conditions. Now the Society has held its last regular meeting on the night of the 19th of May. It constituted part of the program of this meeting to elect the member who, in the opinion of the majority of the members, is entitled to receive this medal. The medal was awarded to Mr. Sargent. Surely none can doubt the efficiency of the election, for Mr. Sargent has always been a faithful, regular, active member.

A Point of Interest.

It is of great interest to the many friends of Dr. Brown to know that he has been appointed a member of the General Group International Association for the Advancement of Science, Art and Education, which holds its first assembly at the Paris Exposition of 1900.

The Band.

The band is becoming very popular indeed. Since our last issue they were invited to go to Montgomery with the crowd which went from Opelika to Montgomery to bring Col. Sanford home after his nomination. They were no

allowed to do this, but went on to Opelika that night on the train when it reached Auburn on its return. A few nights later they went to Opelika and gave a concert. In this they were assisted by Miss Mattie Greene of Opelika, Miss Mary Drake of Auburn, and Miss Gould of Boston.

Their next trip was to Tallassee to the Opelika picnic. Through the efforts of their ever active master, Prof. Pullen, they have been invited to attend the encampment this summer.

They certainly deserve the attention they are receiving, though, for it comes from honest, hard work.

Hurrah for Rozier.

Battalion Sergeant Major Henry R. Casey, 39th Volunteer infantry has been appointed second lieutenant in the same regiment. This regiment though recruited mainly from the northwest has a number of Alabama men in it. In the Philippine Islands it is known as Bullard's American Indians, so called from their methods of fighting. Casey is an old Auburn man having graduated in 1896.

Glomerata.

The whole of the Glomerata has been sent off for publication. It was a big task, and much honor is due the board of editors.

They say it will be the finest ever published, and there is no reason why it shouldn't with such a board. They will be here ready for distribution about June 10th.

The University of North Carolina won the Fourth annual inter-collegiate debate from the University of Georgia, on Friday, April 6th.

The query was:

"Resolved, that the English System of Government Answers Better the Needs of a Free and Self-Governing People than does that of the United States."

The debaters were affirmative from Georgia, Messrs. R. H. Smith '00 of Butler, Ga., and C. E. Weddington of Atlanta, and negative from Carolina, Messrs. D. P. Parker '00 of Benson, N. C., and W. H. Swift '01 of Amantia, N. C.

There is a number of Auburn men in the U. S. Army in the Philippines. V. M. Elmore, 29 Volunteers, infantry; Mumford 29 Volunteers, infantry; P. G. Clark 13 infantry; C. J. Nelson 17 infantry; W. K. Armstrong 23 infantry; R. J. Bullard Col., 39 Vol., infantry; H. R. Casey 39 Vol., infantry.

Besides these there are several non-coms and enlisted men who learned their drill at Auburn.

About this time next year says an exchange, we may expect to read something like this:

"About 10 o'clock this morning a horseless milk wagon, loaded with cowless milk, collided with a brainless rider on a chainless wheel. The luckless rider was badly injured, and being homeless, he was taken in a horseless cab to a home for the friendless."

Beautiful line of candies just received. Also Heinz's pickles, olives, catsups, etc., at Jackson's.

We had a dream the other night, When all around was still We dreamed that each subscriber came Right up and paid his "bill," "Money is a thing of worth, To pay our bills we need it, If you owe us fifty cents, Oh! Please read this and heed it." Ex.

Examinations begin on next Saturday, 26th inst., so this is our last week of regular college work. The Seniors had one examination Saturday in Astronomy. The schedule of examinations has been posted for some time, and after next week it will be nothing but work, work, work.

Daily papers are issued by Harvard, Yale, Pennsylvania, Princeton, Cornell, Brown, Michigan, Wisconsin, California, and Leland Stanford.

New bbl. of Coca Cola just arrived at Jackson's.

Auburn Wins From Tuskaloosa —Gets Two Out of Three Games Played With Tus- kaloosa in Mont- gomery.

Auburn won the first and last games of the series played with Tuskaloosa in Montgomery on April 27 and 28.

The team left here Friday morning, April 27, at 9 o'clock, and reached Montgomery about 11 o'clock. They put up while in the city at the New Gallatas Hotel.

The first game of the series was played that afternoon, with Foy in the box for us. The ground was very rough, and this caused many errors by both Auburn and Tuskaloosa which would not have otherwise occurred. Both teams put up good games, but Auburn won out by a score of 9 to 7.

The second game was played Saturday morning at 10 o'clock. Sloan pitched this game, and did remarkably well. Auburn lost the game in the first two or three innings, but after that, settled down and held Tuskaloosa down to only a few hits. Tuskaloosa had scored too many runs, however, and Auburn could never catch up. The score was 9 to 5 in Tuskaloosa's favor.

That afternoon the 3rd and last game was played with Foy again pitching for us. It is certainly remarkable how he could have pitched two such beautiful games on successive days. Up to the latter half of the ninth inning Auburn was unable to score while Tuskaloosa by mighty efforts had succeeded in piling up four runs.

When Auburn did come to the bat in the latter half of that ninth inning, it was to make her last effort against Tuskaloosa, and here is where Auburn's grit was strongly manifested again. Before the inning was over Auburn had made five runs, thus snatching the victory which Tuskaloosa had almost won, from her very hands. It was a hard blow for Tuskaloosa, and it took them some time to recover, and realize what had happened. The Auburn crowd went almost wild.

All three of the games were snappy, and many fine plays were made.

Tuskaloosa has a good team this year, and they are a clever, gentlemanly set of fellows.

The Light Brigade.

Saturday night the light brigade were out in full force.

They formed at Jackson's corner about 10:30, marched down Main street to the depot then back up Gay street to Mill street then up College street to the corner of Faculty avenue.

Every man was robed in a long white garment, with a white wool hat pulled closely down over his face. The brigade was headed by a band consisting of tin pans, and washtubs, and following this were about 200 noisy leather-lunged underclassmen.

At the corner of Faculty avenue, they were intercepted by two "officers-of-the-day(?)" who lay in wait for them.

These two officers(?) allowed some of the crowd to pass, and then sprang from behind a tree into their midst. As soon as the rattle

of the swords was heard the whole brigade was thrown into confusion and the result was a stampede, which ended in a headlong flight.

They were chased by the "officers" (?) and many spectators viewed the strange sight, nor did they rally until the college farm was reached.

In the meanwhile several seniors had cut around and came up in front of them. The frightened underclassmen wheeled short about and ran at break-neck speed until the college campus was reached, where they again rallied and serenaded the commandant.

Then they formed companies and had a battalion drill, with a "Sub-Fresh" acting as major. About 12 o'clock the brigade dispersed.

Donations to the Museum.

Below is given a list of recent donations to the college museum. Any one having anything which they would like to donate to the museum can do so, by seeing Dr. Mell. An account of the donation and name of the giver, with the class to which he belongs will be kept by Dr. Mell.

Fossils and bird eggs from Miss Bell.

Granite from Greenland and bird's skin from Dr. Remus Persons.

Cast of trilobite from Dr. O. D. Smith.

Indian arrow head from Miss Grant.

Indian arrow head and shells from C. H. Billingsley.

Alabama fossils from C. H. Billingsley.

Conglomerate from F. Ashcraft.

Indian arrow heads from Dr. McElhaney.

Alabama fossils from Miss Cozart.

Relics from an Indian mound from H. P. Powell.

Columbian silver half dollar from E. A. Miller.

Kauma gum from Samoan Islands from S. Stollenwerk.

Mica and petrifications from C. L. Harold.

Petrifications from E. H. Foy.

Quartz crystals from W. D. McCreary.

Quartz crystal from M. H. Kahn.

Indian arrow heads and pottery from E. M. Boyd.

Fossil plant from F. J. Rigney.

Fossils from Willie B. Patterson.

The New State Chemical Laboratory.

Saturday the work of moving the chemicals and apparatus from the old State chemical laboratory was begun, and the new one will be occupied right away. This new laboratory is situated just on the right of the main chemical laboratory, and is quite a pretty building. It was built upon a very modern plan, and will be an up-to-date laboratory.

The old State laboratory will probably be occupied next year by the senior chemical laboratory class.

Dr. Petrie.

Dr. Petrie has recently been chosen to deliver the commencement address for the Brewton High School at Brewton, Ala. The school may be assured to enjoy an able address.

Field Day.

Annual Field Day held on the campus on Tuesday, May 1st, was a very enjoyable occasion, and much credit is due those who made it a success.

It was an ideal day for a field day. The faculty granted a suspension of all exercises on the entire day, with the exception of morning and afternoon roll calls.

About 8:30 in the morning the competitive company drill was held.

Messrs. McDonald and Scroggs were judges. Company B., Capt. Kelly, won the concest, and a handsome medal was awarded the Captain by the faculty.

At three o'clock that afternoon the Track Team contests were held.

There were a number of contestants and the records were good. The winners were:

100 yard dash—W. W. Hannon: time 10 : 5.

220 yard dash—R. S. Finch: time 23.

Throwing hammer—Harvey: distance 96 feet.

Putting shot—Deweese: distance 32 feet.

Three legged race—Harvey and Martin.

440 yard dash—Moore, J. C.

880 yard dash—Harvey: time 2:15.

Pole vault—Moore, J. C.: 8 feet 6 inches.

Broad Jump—Noll: 9 feet 6 inches.

Running Broad Jump—Harvey: 17 feet, 10 inches.

Throwing Baseball—Sorrell: 104 yards.

Hurdle Race—Harvey: 18 seconds.

Mile Race—Pelham: 5 minutes, 10 seconds.

That evening at 8 o'clock the Sophomore celebration occurred in Langdon Hall. Quite a large audience greeted the speakers.

The speakers were W. M. Askew, R. G. Dawson, C. E. Feagin, W. P. Gaddis, G. W. Snedecor, D. W. Peabody, J. O. Webb, F. R. Yarbrough and J. E. D. Yonge. These comprised the best speaking talent in the class.

Rev. Mr. Spain, Prof. Duncan and Mr. Fleming were the judges.

The contest was a very close one, but it was finally decided that Cadet Corporal J. E. D. Yonge was the successful contestant.

After awarding the medal, Prof. Thach awarded Capt. Kelly the medal for the best drilled company.

Mercer Wins From Auburn.

On last Saturday week Auburn played her last game of the season with Mercer in Macon.

They put up a good snappy game, and Foy's pitching was good, but Mercer proved to be "one too many for us," and won the game by a score of 11 to 4. We feel badly over losing the game, as it is the only college team we played this year, from whom we failed to win. However, we will wait and see if we can not "fix them up" next year.

Dr. Broun Lectures.

Recently Dr. Broun gave a very interesting lecture on the eclipse, in the chapel. The lecture was illustrated with lantern slides, and

was very instructive. Auburn is very near the centre of the shadow which will pass across the Southern States. Last week's Post contained an interesting account of the eclipse, which will happen on the 28th of May.

When you want a good smoke for 5c., go to Jackson's. Best in town.

Taylor, representing Ed V. Price & Co., famous tailors, with a line of spring and summer suitings will be at my store Thursday the 8th.

T. A. Flanagan.

Have just received a nice lot of shoes. Vici Kids, Enameled Vici, Tans, and Calf. Bicycle shoes in all colors and kinds.
